STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Dear Cattlemen

We are very fortunate in having so many good producing cows consigned to this sale with calves or due to calve soon. In a year when many cattle sales had to be canceled because of the demand for registered breeding stock, this will be a sale you will want to attend to add some excellent producing units to your herd.

Cattle in this sale are consigned from some of the nation's best-known herds. The sale is sponsored by the Tennessee Shorthorn and Polled Shorthorn Ass'n, and the Tennessee Department of Agriculture. Tennessee is the home of one of the outstanding consignment sales each year — The Tennessee National Show and Sale, the second Saturday in November.

Offered here are excellent herd sires of serviceable age that can work improvements in many herds. Shorthorn and Polled Shorthorn bulls have proven through the years, year after year, they can do anything any other breed of bulls can do. When you buy a Shorthorn or Polled Shorthorn you are not gambling with something new and many of your questions are answered. Many of your exotic cattle of today that are doing an excellent job go back to Shorthorn blood.

The registered Shorthorn and Polled Shorthorn cattle breeders have experienced a stable market, year after year. And if you are in the commercial cattle business you will be pleased with the many things a Shorthorn bull can do for you.

You are invited to attend this show and sale and the Tennessee Ass'n banquet and meeting, Friday night, March 29, 1974. Make your reservations direct to the motel or with John Oden, Secretary-Treasurer, Tennessee Shorthorn Ass'n, Thompsons Station, Tennessee.

Sincerely,

DON L. SMOCK, Sale Mgr. & Auctioneer.

PLEASE BRING THIS CATALOG WITH YOU SALE DAY.
